

# Statement

I need to travel to and from Austria several times for work reasons, I am applying for a one-year visa, and have purchased the full medical insurance fee during the travel period (2019.11.15 to 2020.01.16). I am aware that after holding a one-year visa, I need to buy medical insurance for each trip and guarantee to purchase full medical insurance on follow-up travel!

I'm here to make a statement!
